Respected Vijaya Gowrisankar ,

I am writing this application to enroll for the job opportunity at your esteemed company. I would like to inform you that I am trained, qualified and well prepared for a position in your firm. I am a team worker but I also have sufficient experience of leadership as well. I am a very hardworking and self-motivated individual and guarantee you that if selected I will give my 100% effort to the tasks assigned to me. I have good communication skills and am an eloquent orator.

As my resume shows I have graduated as a Bachelor in Computer Applications and am pursuing my M.C.A from Vellore Institute of Technology (VIT), Chennai at the moment. I have 9.38 CGPA at the moment and I rank 2nd in my class and am ranked 3rd in the university. I am well trained and have expertise in the following:-

- Web applications and website development.
- Mobile application development.
- Excellent knowledge of Data Structures and Algorithms.
- Good with languages such as php, Asp.net, core JAVA, C++, SQL, NoSQL, and ORACLE.
- Worked with software such as Visual Studio, PhpStorm, R-Studio, Sci-Lab, MONGO, IBM-Rational Rose, Eclipse, IBM - Rational RequisitePro and IBM Rational Software Architect
- Experience of audio, video and image editing.
- Knowledge of creating expert prototypes and hardware with Arduino.
- Basic knowledge of Big Data analytics and Cloud Computing.

I have experience of working with Reliance Industries Limited as an intern for 4 months where I developed the Non-Sup Employee management and up-gradation system which is a live module still being used by the company. I have also helped my college in designing their employee management system by developing the appraisal module for their system.

Currently I am perusing my internship at National Informatics Center (N.I.C), Government of India, Chennai. I am working on the Mobility Platform Services (MPS) project here and am focused on enhancing the user interface and providing enhanced authentication, monitoring and surveillance systems by implementing a few concepts of internet of things.

I have also developed three websites for my clients viz. www.spalontime.com , www.makemycareer.co , www.creativelycrafty.in

Please find my resume attached for your perusal and I would be looking forward to have a talk with you some time soon. I can be reached on my phone (+91) 9962411960 whenever you are willing.

Thank you for your precious time and consideration.

Yours sincerely,
Kayewan M. Karanjia
